

Less paperwork. More teaching.

Easy. Efficient. Consistent.

Special educators juggle data sheets, goal drafts, and progress reports across too many places. **Blume gives special education teams one connected platform** to create measurable goals, monitor student progress, and build educator expertise — so teams spend less time on paperwork and more time on instruction.

One platform. Two connected sides.

NOTEBOOK · GOALS & PROGRESS

Goal creation and progress monitoring, in one place

Create measurable goals

- Choose skills from a built-in library
- Every goal begins with a measurable baseline
- Realistic targets suggested from real student data

Monitor progress

- Designed for real-time data collection, on any device
- Enter data once — related measurements calculate automatically
- See every goal's status and never miss an overdue observation

Reports that write themselves. Narrative progress summaries built from your own observations, ready to export to PDF or Word.

ACADEMY · PROFESSIONAL LEARNING

PD that fits the school day

Practical, evidence-based training built on 45+ years of special education practice.

- On-demand and self-paced — no subs required
- Short videos and assessments on mobile or desktop
- Teachers earn PDPs and certificates
- Train your full team, not just a few

FOR DISTRICT LEADERS

What this means for your district

- Less paperwork.** Data, goals, and progress reports live in one place.
- Confidence in compliance.** Measurable goals backed by documented progress data.
- Consistency across classrooms.** One shared method for every team and caseload.
- Nothing to install.** 100% web-based, stand-alone, and works on any device.

YEARS OF PRACTICE

"The Blume App provides a streamlined, user-friendly platform that has been a helpful tool as we shift to the new IEP format."

Kristin L. Donahue, Director of Special Education & Student Services, Bourne Public Schools
